Commander's Call

I bring greetings to all our distinguished members and their families. The last quarter has been extremely busy for us but we have enjoyed all our travels - meeting with our LOH Associations, Units and members.

One of our principal tenets is service to veterans. As part of our leadership role in the LOH, Lady Theresa and I strive to take part in as many veteran events as cable tow will allow. This past weekend we were honored to participate in the Oregon Veteran Honor Flight to the Nation's Capital. After arrival at Dulles IAP, these distinguished veterans were honored with visits to the National Mall (WWII, Korean, and Vietnam Memorials) and a trip to the Museum of the Marine Corps.

Over 100 supporters escorted and greeted over 60 vets as they made their way to the museum. I had a chance to meet many vets including SGT Riley Bradley who was a veteran of the Hamburger Hill campaign (see photo below). These Honor Flights are a great way to welcome and pay tribute to our veterans. Their narratives are part of the American fabric.

The following article is a brief synopsis of Shriner activities we have enjoyed throughout the last quarter and those events ***"On the horizon."***

In July we saw a myriad of events celebrating the semi-quincentennial of the U.S. It was inspiring to see so many individuals jubilantly celebrating, especially the young people. In my area we had a chance to visit the Nat'l Mall, observe the reading of the Decl. of Independence, attend concerts and see fireworks. As Pres. John Adams wrote, "it ought to be solemnized with Pomp and Parade, with Shows, Games, Sports, Guns, Bells, Bonfires and Illuminations from one End of this Continent to the other from this Time Forward!"

From 11-16 July we were honored to attend the Imperial Convention in sunny Tampa, FL. We opened the

convention and honored outgoing Imperial Potentate Brad Koehn with ceremonial colors; and we honored incoming IS Lawrence Lieb by leading the 2026 Imperial Parade. We had one of the best LOH turnouts ever. Your ILOH remains a prominent Association and the right arm of the Imperial Team. Special thanks to Officers Tayrien, Massey, Cook, Foss, Sanders and Smith; and PICs Ginapp, Gray, Hobbs and Steele for participating.

From 30 July to 1 August, I attended the Pacific Northwest Shrine Assoc. (PNSA) LOH in beautiful Kimberly, BC, Canada. This is beautiful country and its beauty was only matched by the enthusiasm of our pacific-northwest members. Congrats to Cmdr Douglas McKay on being elected to another term and on his DSA award.

From 19-20 August I had a chance to visit the Central States Shrine (CSS) LOH in the Quad Cities; hosted by Kaaba Shriners. Our own 7th LCDR Derrek Sander of Abou Ben Adhem was installed as CSS LOH Cmdr. He has more jobs than Sec. Rubio! Congrats to him and his officers on a great weekend of events.

Over the long weekend of 10-13 Sep. Lady Theresa and I attended the MASA Fall Meeting including the MASA LOH Inline Inspection & 9-11 Commemorative Ceremony. Congrats to repeat champions Kena LOH on 1st place. Special thanks to PMC Tom Kalinowski for presenting and playing pipes at the 9-11 Ceremony.

-On 19 September we attended the Kena Oktoberfest sponsored by the Kena LOH. This annual event is the largest fundraiser for the LOH unit. The Unit works hard and the community came out to support their veterans.

Congratulations to SASA LOH Cmdr John Caldwell and his Officers installed in Myrtle Beach on 18 Sep. There was a very well attended banquet and 26 LOH members

**International Commander
Geoffrey D. Lyster, PC, PP, PMC**

participated in the SASA parade. Thanks to LCDRs Cook and Foss for participating and special thanks to PIC Pulley for spearheading this event!

On the Horizon (events in the next ninety days): We are looking forward to the Al Rai'e Saleh institution; Boumi Vets Day Brunch; Kena Vets Luncheon; Kena Ceremonial and all the various LOH Holiday gatherings.

But without a doubt the event of the season will be the **Arlington Pilgrimage** (28-31 Oct). Highlights include the Costume Party-Thurs; Lady's Brunch-Fri; Memorial/Wreath Laying and Luncheon on Sat. The expansive luncheon buffet including wine is only \$40 including tax and gratuity. Considering the festive ILOH Hospitality Room, this may be the best Arlington ever! You don't want to miss it.

Nobles and Ladies,

Oh, My Gosh! This summer has absolutely FLOWN BY! It feels like just yesterday I wrote my last message to you all and was looking forward to seeing each of you. Now, here I sit reflecting on all the travel completed this summer. WOW, just WOW!

Imperial Sessions was a blast! Although my little "Block Party" was "thwarted" due to a power generator issue, we still enjoyed the time spent with great friends that night. We even had the opportunity to spend time at Egypt Shrine and see their LOH room. Thank you Mark and Tara for such a great time and the mini tour! If you ever get the chance to see Egypt Shrine (and their LOH ROOM!) Be sure to take that time to go, it is well worth the trip.

PNSA-LOH in Kimberly BC was BEAUTIFUL! Ok, a little smoky, but still beautiful. I think I finally got the smoke smell out of my clothes after 2 or 3 washes, LOL But I will tell you that regardless of the smoke, Ill Sir Larry Tipton is their Director General and is certain to look out for everyone

there and ensures they have a great time. Nobles from PNSA were very hospitable and us "outsiders" were made to feel at home. Congratulations to PNSA-LOH Commander Doug McKay for being elected for a second term as Commander and for receiving his DSA for his dedication to his home Shrine (Nile), His LOH Unit and to PNSA as well. Congratulations Commander McKay and best wishes to you and your Officers!

CSS-LOH in Davenport, IA was a nice and relaxing trip for us and we got to see and spend time with old friends and made some new ones. We even enjoyed the Pub Crawl and had a few new drinks with some funky names (thanks Michael and Jennifer!) Congratulations to our (ILOH's) very own Derreck Sander (and his Lady Jamie!) on his election to be the new CSS-LOH Commander for this year. We wish him and his Suite of Officers Congratulations and hopes for a great term!

If all that wasn't enough, throw in a Grand York Rite Session and a Supreme Session for Order of the Beauceant (Lady's Appendant

body for York Rite) for Connie and I. Needless to say, we have been a little busy this summer but would not have it any other way! We look forward to seeing you all at Arlington in a few weeks and hope you all have a great time in your travels.

4th Lieutenant Commander

Greetings Noble Comrades from Div 8,
Since my last communication we moved into the slower summer period. However during that time I had the opportunity to visit the GLSA LOH annual conference in London ON and NSA in Cape Cod, MA. I was unable to attend the Imperial session as my Grand Lodge Communication was at the same time. The upside was an appointment as Grand Sword Bearer. We had an international official visit from the Grand Lodge of Italy where I had the opportunity to spend a couple days with W Bro BGen Agostino Palumbo, former commander of Italian Army aviation. The events were organized by one of our Legionaires, noble and RW Bro Gabe Spoletini, who was awarded a veteran's service award on behalf of the Italian government! Gabe incidentally had previously organized a pilgrimage for masons to the WWII Italian theater battlefields.

One day when Italy gets a Shrine Temple, maybe General Pulumbo will be its first LOH Commander! I have previously posted that we should stay involved in matters of interest to our Veterans community writ large. I recently attended a function where RAdm Luc Casivi presenting on arctic affairs and the new Canadian submarine acquisition project. Luc and I sailed in boats together years ago and before he retired he was leading that project. It is an ambitious project to say the least considering the challenges to operating and more importantly supporting operations in the North and the hostile arctic maritime environment. Canada needs to invest heavily in a neglected military industrial complex and northern logistics.

Job well done to GLSA LOH Commander Brian Harris in his year and best wishes to Commander David Kirsnhner in his coming year. The association is in good hands and healthy. Thank you to the stalwart

pillars that keep that organization alive and well.

The NSA is a wonderfully vibrant and active Shrine association. The weekend was well organized and run. NSA is known for its warm hospitality. The weather wasn't the most cooperative but it did hold out for the Motor Unit and Clown competitions and parade. I attended the Motor Unit competition and that was very fun. The end was quite funny as they had a competition using side-by-side quads trying to run the mini vehicle long obstacle course. Let's just say I hope they budgeted for new traffic cones!

A number of LoH members were in attendance however they do not have an LOH association within it. I addressed the assembly about considering the formation of an LOH association and reminded them we at ILOH are there to support them.

There was only one formed unit with one member in a single vehicle. A few of us single attendees nudged our way into the parade line up to bolster our presence. Far less Legion Nobles than last year,

certainly as formed units. I had the opportunity to speak with the noble in the period jeep. He was an Army Air Corps vet. He is approaching his 100th birthday! Lady Elina and I got out to see a few sites like the JFK monument and a really cool British car museum called the Toad Hall classic Car Museum. The Cape is full of little gems like that. I must give a special shout out to the Potentate of Rhode Island Shriners, III. Sir Nicholas Oliver for hosting Lady Elina and I at dinner. Some wonderful conversations happened with the members of that Temple. Mirth and fraternity was abundant.

A discussion arose over the weekend about "downgrading" units to clubs from units.

I'd like to address that. A number of

Division 8

Derek McNulty, Cmdr.

temples and associations have rules regarding Nobles only being allowed to belong to one parade unit. There are no such prohibitions from International or ILOH. I don't think we as ILOH or Shiners in general should restrict the fervency and zeal with which a Shiner approaches the craft and how he chooses to spend his time. If he has the energy and time, by all means, get involved! We are all members of several bodies within Masonry in general and can appreciate the carwdul balance of time required to give them their due. Regarding parades in such cases, of course I am going to encourage members to parade with the LOH unit. But how you spend such time is up to the individual member. Keep in mind maintaining an active unit is important to its health and survival. Club or Unit? Well units technically belong to the Potentate. So it's at his desire our units exist.

Otherwise in practice it's just nomenclature. There really is no difference. All clubs and units have an executive structure and many have international associations such as we. So "downgrading" really just isn't a thing. The idea of being if you call your unit a club you have a workaround regarding the single parade unit local restriction. But that just doesn't hold a true you can only be in one place at a time.

4th Lt. Commander continued from page 8

If you are experiencing a conflict like this at your temple or association such that it impacts member participation or recruiting I recommend you revisit your bylaws with a view to remove any such prohibition. As mentioned, as far as International and ILOH are concerned you can do both - of course observing your local regulations.

Finally, as Masons and per your oath as shriners, I implore you not to forget your obligations to your Craft/Blue Lodge. They are fertile grounds for recruitment. We have a lot of veterans brethren and shriners who would benefit from what we offer in the Legions of Honour. Open your gaze to masons and nobles who served in a foreign military. Certainly in my jurisdiction we have a cacophony of vets from all over the world. Especially the Philippines, Turkey other NATO countries and beyond. So long as they served honorably and have proof of service in their former country's armed services they are eligible for membership.

If I don't see you sooner, I hope to re-acquaint with each of you at Arlington!
Fraternally,
D Francis McNulty 4th Intl Lt Cmdr.

5th Lieutenant Commander

This Lt. Commanders report begins on Canada Day! Lady Heather and I participated in local celebrations in St. Catharines Canada and were judges for a wiener dog contest hosted by the Hamilton Shrine Club. For The 4th of July Lady Heather and I drove the Ismailia Legion of Honor Van and celebrated Americas 250th in Springville NY. Lady Heather and I attended the Imperial Sessions in Tampa Florida, (our 13th) and I had the privilege of serving in the International Color Guard for the Imperial Sessions and the Imperial Parade.

Lady Heather and I attended the Ismailia LOH summer picnic hosted by my International Chief of Staff ill. Sir Dan Walther and his Lady Jan. Always a great and well attended event. Thank you so much! Still in July Lady Heather and I traveled to Iceland, the Netherlands, Scotland, Norway & Denmark with Rameses Shriners. On August 8th my oldest daughter Shannon got married on our New York property (all went perfect) - so I missed the GLSA LOH gathering this year. I'll. sir Dan Walther was again advanced in the GLSA LOH line and will serve as their Commander next year.

Congratulations Dan!
During the Erie County Fair Veteran Appreciation Day I served in the Color Guard with my Ismailia brothers presenting the service flags during those ceremonies. I was in the Labor Day Parade as a Sailor Clown "Skippy" with the Niagara Shrine Club. I served in the Ismailia Color Guard for Ismailia's Stated Session. Lastly, I was the Ismailia LOH Van Driver in the Seneca Nation of Indians Fall Festival Parade.

Lady Heather and I are currently packed and ready for the SASA LOH gathering in Myrtle Beach, SC. Thank you for the invitation brothers. We are looking forward to reconnecting again with our SASA friends! The ILOH pilgrimage to Arlington is just around the corner. If you haven't been yet you are missing out. If you know you know. Looking forward to seeing all my "One Stone Degree" friends again! See you somewhere.

Patriotism Chairman

Patriotism and the Legions of Honor

No explanation should be necessary as to why patriotism plays such a key role in our organization. We all voluntarily put on a uniform...again. That required both a psychological and financial commitment that some Shriners and veterans are not willing to make. Your units routinely present colors at stated meetings, civic and fraternal events and participate in parades, both Shrine and community. Honoring our nation and it's veterans is OUR patriotic role as members of the Legions of Honor.

But how does patriotism in the Legions extend beyond those fundamental obligations? You have access to resources that other Shriners and some veterans do not have. Many of our members volunteer at VA hospitals, clinics, and assisted-living facilities. Some work with youth groups – Scouts, JROTC, Masonic youth – to help them better appreciate the importance of the freedoms we enjoy. Others belong to the myriads of veteran groups that provide information on veteran benefits,

resources, and legislation that you can share. Providing that information-being a valued resource - may be the difference in a Shriner who is a veteran but not in a LOH joining or not. Have you ever hosted a veteran event at your Shrine Center for members?

You can also join our other Masonic veteran organization; National Sojourners, Inc./NSI (and you say "Oh, no! Not another dues card!") Both our organizations overlap in their values, the only difference being NSI does not require Shrine membership. But here is the advantage. Being a member in both of these groups brings you access to members for the other. Always carry a membership application of one group to the other!

Be more than just a stated meeting color guard for your Shrine and community. Become the group they come to when they want to find out more about veterans and military service – that will become your patriotic contribution to our Legions of Honor and your communities.

Steve Singleton

Just don't expect them to come to you. What is your plan of outreach? We will have more ideas on how you can do patriotic outreach in your area in future issues. Be engaged!

Nobles and Ladies. It's been an awesome time serving at 6th Lt Commander of the ILOH.

This summer I got the privilege of attending SESA in Huntsville AL. It was a great time with the nobility, and boy does Puerto Rico know how to have a great time. Rafael Rodriguez from the Puerto Rico Legion of Honor was President of SESA this year and what a great year he had. Also Ken Doughty was installed as the SESA Legion of Honor commander for 2026-2027, Congratulations Ken and hats off to a great year ahead of you. I'd like to Thank past ILOH commander Wayne Steel for assisting me with

the installation as the International Commander was stuck in the airport due to weather somewhere.

On August 30 I was honored to attend the ceremony for Gene Hunter Long time member of Al Menah Legion of Honor receiving the quilt of honor for the ladies who make the quilts and preform the ceremony to drape the quilt on the military member.

I look forward to seeing everyone in Arlington this year.

Hello fellow Legionnaires, I hope your summer was filled with fun and great memories.

Our summer adventures.

Our first stop this summer was Imperial Session in Tampa Florida to fulfill our mission for our incoming and outgoing Illustrious Sir's and to have fun in the sun. Then onto CSSA's convention in August for CSS-LOH's convention. While at the convention I was installed as the 26/27 Commander of Central States Legion of Honor by our ILOH Commander. It is a great honor to be representing CSS-LOH as commander. In attendance at CSSA for ILOH was 1st, 2nd and 3rd LT Commanders and their ladies. It was great to see the representation of ILOH and their ladies at Central states. Thank you all for coming as it made the day and installation Awesome.

Our last stop was with Abou Ben Adhem Legion of Honor, unit members of the unit and ILOH 3rd Lt Commander Dean Cook and myself presented our Nations colors

at the opening of the game for the St. Louis Cardinals minor league team the Springfield Cardinals with an attendance of over 500. What a way to put our Legion of Honor out in public! A big thank you to ABA LOH Commander Frank Grantham for making this happen.

Unit contact : I hope to receive some more contact from units. I have only received one contact from all the units I contacted, please if you need anything don't hesitate to contact me. I will do my best to help and or get you answers.

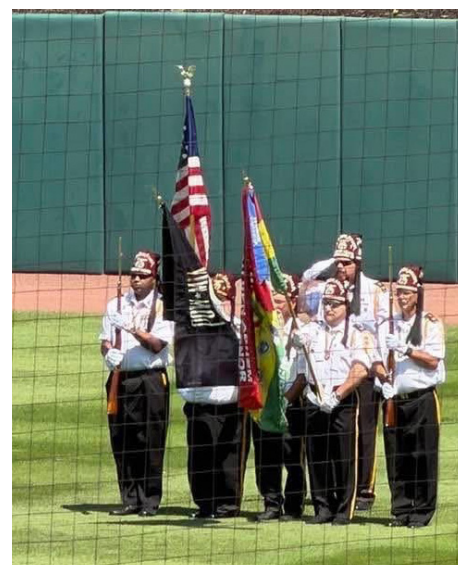

Our Commander would like to see a drill completion at the convention next year on ship. If you need that information on what the drill completion is, our ILOH Website has a link to that information. I will get it on the schedule of events if we get drill teams to participate. Our next stop is Arlington's pilgrimage in the end of October, we hope to see you there. Have a great fall and be safe.

It's an honor to be part of this International Legion of Honor leadership line and I will do my very best to serve and learn as I progress up the line. My contact information is as follows my cell phone is 417-288-2971, and my email is

coachroth569@yahoo.com.

Since being installed I have contacted my units to establish a line of communications those units are in Mississippi,

Alabama, Georgia, Florida, Germany, and Puerto Rico. I have sent out to some of my units that could receive packages the Arlington coins, Commander coins, raffle tickets, commander fez pins, and the 2027 ILOH convention packets.

I am currently assisting the Al Rai'e Saleh LOH located in San Juan Puerto Rico in restarting their unit back up. My wife Toni and I will be traveling there in October to represent ILOH at the official ceremony this will take place on

October 17th. I have included some information and the history on the unit and the official invitation for the event which is in Spanish. They have a full line of Officers and total of ten members to start and according to the new commander it will continue to grow.

YITF,
Nick "Coach" Roth

Greetings Coach,

As you have requested, the following is a brief history along with additional current information on the Al Rai'e Saleh Shriners of Puerto Rico Legion of Honor.

What I have found is that our LOH unit was originally constituted along with the Al Rai'e Saleh Temple around 2010. After several years of dedicated service to the Al Rai'e Saleh Shrine, the unit began to slowly become inactive and around 2024 after non-payment of dues to the ILOH, our Charter was deemed inactive by the International Legion of Honor.

For the past several months, there has been a resurgence of interest by the veteran community of the Al Rai'e Saleh Shriners with myself, our Shrine Secretary and a few others leading the charge. Currently we have approximately 10 members, several of whom are past LOH members. Along with our core group, we have many veterans that I am in the process of collecting their information and proof of military service to add them to our unit. With the ongoing addition of unit membership, we are on track to reach close to 60 members for our Legion of Honor by early 2027.

Division 4

Nick "Coach" Roth, PC

As a Past Commander of the Syria Shrine Legion of Honor in Pittsburgh PA, I have witnessed the slow deterioration of a unit's membership numbers. With this slow drop in unit membership along with the loss of active members, I have learned many ways to combat this situation. Here in Puerto Rico we are ringing in a new era in the Legion of Honor by implementing several tactics and activities to keep our membership engaged, active and willing to step up to the challenge of not only keeping our LOH unit alive, but also on ways to serve the Al Rai'e Saleh Shrine, work with the Grand Lodge of Puerto Rico and serve and assist our local Veteran communities.

Regards and Fraternal brotherhood,
